Speak Russian - Instantly. No books. No writing. No memorizing. Michel Thomas Method audio courses let you learn whenever you want: at home, in your car, or on the move with your MP3 player.

Stress-free audio learning Michel Thomas teaches you through your own language, so there's no stress, and no anxiety. He builds it up, step by step, and you don't move on until you've absorbed and understood the previous point. And, as Michel Thomas said, 'What you understand, you know; and what you know, you don't forget.' With parallels to the way you learned your own language, each language is learned in 'real-time' conditions. There is no need to stop for homework, additional exercises or vocabulary memorization.

The "virtual" classroom situation on the recording lets you learn with others. You enjoy their success, and you learn from their mistakes. The students on the recordings are not reading from scripts and they have received no additional instruction or preparation - just the guidance you hear on the recording. You, as the learner, become the third student and participate actively in the class.

Total Russian with the Michel Thomas Method contains over 10 hours of audio on 10 CDs.
