Brian Evans is dead, but...

Brian Evans is also dead lucky!

The Supreme Being in His Infinite Wisdom has allowed Brian to serve his purgatorial sentence as a Trans-Dimensional Space-Time Repair Person – a time travelling, free lance Fate Adjuster whose job it is to zip around the universe causing, enabling or preventing the millions of incidents that keep time, space and fate in order, following The Supreme Being's Great Cosmic Plan.

Brian has been given one final repair – the successful completion of which will enable him to at last pass over into the Great Light of the Bliss Eternal and become thought in The Great Cosmic Mind Of The Supreme Being.

On the face of it, Brian's last mission seems to be a piece of cake – he has to return to Earth and do that which thousands of other young men and women attempt to do every Saturday night – but it's not quite as simple as he at first imagines.

Join afterlifer Brian Evans – the Trans-Dimensional Space-Time Continuum Repair Man - as he probes the mysteries of God, the universe, life, death, love, sex and parking spaces while trying his damndest to get into the knickers of suicidal Sonia Smith - a 22 year old wank-line 'telesales' person.

Everything you've always wanted to know about everything...

And the antidote to all those poncy books about space, time, life, the universe and creation.
