**Discovering Delilah (Harborside Nights, Book Two) (Volume 2)** Melissa Foster

"**Finally, a realistic lesbian protagonist!** The dynamic between Delilah and Ashley was super intense. Their first kiss was insanely hot and I am very much impressed with Melissa Foster's talent for sex scenes. Lesbian sex scenes always end up TOO soft and feathery. It's not realistic. This author turned up the heat. It wasn't too dainty and prissy. There was a lot of passion and realism in the sex scenes and I loved it. I also just loved the moments where they had deep conversations or acted playfully. It was sweet and really beautiful. The entire relationship and act of falling for each other was great." Literary Meanderings, Amazon Review

The feelings she has for her best friend, Ashley, are stronger than anything she's felt before, but Delilah has never even kissed a girl, and fear stops her at every turn.

Ashley Carver promised herself that she would never again date another girl who wasn't out, but that was before she met intoxicatingly sweet and sexy Delilah.
