Take an enchanting trip through a magical fairy world in this beautifully illustrated, interactive coloring and activity book for all ages, created by renowned illustrator Marcos Chin and filled with enchanting black-and-white line art, engaging riddles and puzzles throughout, and four postcards to color and send.

Fairies in Wonderland is a whimsical, fantastical foray into the world of the ever-popular fairy. Marcos Chin presents fairies in various, intricately illustrated scenarios to explore and animate with color, from early morning flights among dew-kissed flowers to lounging on leaves floating gently in a stream to a charming game of tag among fireflies in a dark forest.

While the drawings soothe the soul, riddle and puzzle elements engage the mind. As you bring to glorious color this lush and inviting wonderland, you will find images of keys embedded in the drawings that spell out the answers to a series of riddles sprinkled through the book. By unscrambling the lettered keys, you will discover the answers to the riddles and collect prizes—images representative of the words and tools that enable you to solve the next riddle in the book. Also included are four perforated black-and-white postcards, ready for coloring and sending.

Featuring a heavy card stock cover with extra-wide flaps, and bewitching black-and-white line art printed on heavy white paper with excellent opacity ideal for coloring—with markers, pencils, crayons, or paints—and framing, *Fairies in Wonderland* lets readers of every age tap into their creative spirits and provides hours of entertainment and fun.
