The Ramayana is the tale of Rama, the prince of Ayodhya. The Ramayana is perhaps one of the best known epics in the world which transcends all barriers of time, caste, creed and space. The reason for Ramayana's great popularity is that it is one story entwined in so many amazing stories woven so beautifully that not even for a moment you feel out of place. The exciting characters, their problems, their values and the crafty situations transform you into another world. You feel like one among them. Their joys make you laugh and their pains and sorrows make you cry. They take you on a journey beyond comprehension. Rama, the son of Dahratha, goes to the forest for fourteen years to honour his father's words. His wife Sita and his brother Lakshmana accompany him. Their sojourn with forest life is full of adventures as they make new friends and meet weird foes. Their happy life is disturbed when Ravana, the king of Lanka, abducts Sita. Rama takes help of Sugriva, Hanuman and with the monkey army he manages to rescue her. In the battle that ensued Ravana is killed. But that is not the end of the story. The tale further describes Rama Rajya, Sita's banishment and the birth of Rama's sons Luva and Kusha. So here's this vivid and vibrant ancient epic of Ramayana which is laced with adventures, excitement, love and war in the amazing stories intertwined with the main story line. This delightfully retold epic is sure to steal your heart. Jai Sri Rama
