Tagore and Vivekananda (2 in 1)

Tagore and Vivekananda (2 in 1)

Rabindranath Tagore played a significant role in bringing about a new awakening in India in the latter half of the nineteenth century. His life and creative work provided the then Indian society with a purpose, direction and a programme. He has the unique distinction of being the only poet to have two of his songs - Jana Gana Mana and Amar Sonar Bangla - adopted as the national anthem of two countries, India and Bangladesh respectively. Shanti-Niketan stands to this day as a living monument to the Gurudev. He composed over 4,000 songs. His compositions have come to be known as Rabindra Sangeet.

He revived the Indian Spirit that lay shackled by western domination. He inspired his countrymen to be proud of their heritage. He urged them to be fearless. In his short life, and in the face of tremendous odds, he initiated a world-wide movement to uplift the human race, and opened the eyes of the west to the wonders of ancient Indian thought.
