In *The Best of Sydney J Bounds Volume 2*, you'll find stories that span the full spectrum of imaginative literature from one of its modern masters, in a sparkling collection where unspeakable occurrences alter the course of events with dizzying consequences. *Tales of Mystery & Horror* It was incredible that she didn't move, didn't utter a sound. But then the whole island lay under an uncanny silence, reminding him he hadn't seen even one small animal here. It was hideous. The limbs were not identical; they had not come from the same body. The head, waxen and discoloured, lolled at an angle, as if insecurely hinged at the neck. *Tales of Fantasy & Science Fiction* ... the bony framework inside him had come to life — some strange, inner life of its own — and was now refusing to support him any longer. It resented carrying the weight of his flesh... The computer said, "I register a form of life in space that lives on the discharge from radioactive elements." "Full power," she ordered. "Outrun it!" Acceleration came briefly, followed by a complete loss of power. The computer failed and screens faded to gray. *The Best of Sydney J Bounds Volume 2* is a thrilling collection of science fiction stories, sure to delight and terrify fans of the genre.
