A Discourse on Method and Meditations on First Philosophy

Rene Descartes

A Discourse on Method and Meditations on First Philosophy Rene Descartes

Descartes is considered the father of modern philosophy, and these two works capture the essence of his thinking. In *A Discourse on Method*, he explores the moral implications of his method, the reasonings by which he deduces that God exists and that man has a soul, and the implications of his philosophy on science. *A Discourse on Method* includes Descartes' most famous and quotable statement: "I think; therefore, I am." *Meditations on First Philosophy* is one of the foundational works in philosophy. Both books are must reading for all who wish to have a solid grounding in philosophy and the development of Western thought. This edition contains the time-honored translation by Elizabeth S. Haldane.

From reader reviews:

Katherine Levy:

Here thing why that A Discourse on Method and Meditations on First Philosophy are different and trusted to be yours. First of all reading a book is good but it depends in the content of it which is the content is as yummy as food or not. A Discourse on Method and Meditations on First Philosophy giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with A Discourse on Method and Meditations on First Philosophy. It gives you thrill examining journey, its open up your current eyes about the thing which happened in the world which is might be can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your method home by train. For anyone who is having difficulties in bringing the published book maybe the form of A Discourse on Method and Meditations on First Philosophy in e-book can be your alternate.

Jacqueline Harding:

A lot of people always spent their free time to vacation or go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity here is look different you can read the book. It is really fun for you. If you enjoy the book which you read you can spent the whole day to reading a e-book. The book A Discourse on Method and Meditations on First Philosophy it is very good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. If you did not have enough space to create this book you can buy the e-book. You can m0ore quickly to read this book from your smart phone. The price is not too costly but this book features high quality.

Chris McCree:

Why? Because this A Discourse on Method and Meditations on First Philosophy is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your proficiency and your critical thinking means. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

Harold Esparza:

Many people spending their period by playing outside using friends, fun activity along with family or just watching TV all day long. You can have new activity to invest your whole day by reading a book. Ugh, you think reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Touch screen phone. Like A Discourse on Method

and Meditations on First Philosophy which is getting the e-book version. So , why not try out this book?
