Sometimes the best things in life are unexpected.

Cheyenne Snow has been given an ultimatum by her pack's Alpha—who unfortunately is her father. Find a shifter husband in the next four months before he retires, or she'll be forced to marry the unsavory Chuck Lord. Understanding that the odds of her meeting the deadline are slim, Chey decides to go out with a bang and find a human diversion.

When Dr. Storm Durant comes to Hidden Hills, North Carolina, to take over the practice of a retiring physician, he never expects to be immediately drawn to the incredibly smart, sensual, and sassy Cheyenne Snow. He can't even explain the intense attraction, but he willingly participates when she seduces him.

The euphoria is cut dramatically short when Storm finds out that the woman he's falling for is not only a shifter but is just using him to bide her time until she marries.

Chey knows what she wants, and Storm can give her what she needs, but will it be forever or just a spring fling?
