Speculative fiction seeks to tell stories that play on some element of the fantastic or re-tell stories with a fantastical bent. The Biblical Legends Anthology Series attempts to tackle stories of the Bible from the specific perspective--with one twist.

We're aiming for the weird.

Admittedly, some of the stories in Deluge: Stories of Survival & Tragedy in the Great Flood are not as weird as some of the others, but they all have a weird element to them. And the editors are proud of that.
