After the sudden death of my friend Emily, I, a Nova Scotia Social Worker and business person, find myself the sole executrix of what turns out to be a very complicated estate, compounded by mystery and wrapped in layers of lessons learned. Like many of life's episodes and occurrences experienced for the first time, one does not know what one does not know. I wind my way through necessary steps, holding tight to a friendship lost, and persevering amid the torment of beneficiaries, banks, and unanswered questions. *Emily's Will Be Done* not only tells the story of executing an estate fraught with the standard inherent difficulties, it tells a story of love and loss, of a lonely woman layered with enigmas and surrounded by secrets, of how friendship may well transcend life itself. You will discover the many facets of Emily as you uncover the mysteries of the executor role along the way.
