How to Think Theologically, 2nd Edition Howard W. Stone

An outstanding introduction for college, seminary, and lay readers, this second edition of the 1996 volume has been fully updated and expanded with new resources, examples, vignettes, diagnostic exercises, and case studies. Addressing the how and why of theological sources, moves, and methods, Stone and Duke guide readers into their own theological roots and then into major theological topics - gospel, sin and salvation, vocation, ethical discernment - through real-life case studies.
