## **La Historia Oculta de la Conquista de México (Spanish Edition)** Tecpanécatl Tezcolco

En “La Historia Oculta de la Conquista de México”, el lector podrá encontrar muchas de las interrogantes que rondaban la enigmática e increíble epopeya, las que después de cinco centurias, al fin han encontrado respuesta, dejando al descubierto todas las intrigas y traiciones cometidas por el invasor, que contrastan con la dramática y valerosa defensa de un pueblo por conservar su libertad. Narrado en una forma sin precedentes, deja al descubierto el perfil humano de los contendientes, resaltando las mezquinas pasiones de los soldados mercenarios que contrastan con la increíble resistencia de una ciudad que se negó a ceder su libertad ante el cruel poderío del invasor, y junto con su último emperador decidió morir antes que someterse a su dominio brutal y despiadado, dando como resultado la destrucción de una de las más asombrosas civilizaciones del mundo.

En definitiva, es la versión novelesca de la Conquista de México que se aproxima más a la realidad, que todas las fantásticas historias escritas a lo largo de cinco centurias.
