## **OffBeat Volume 1** Jen Lee Quick

"Off\*Beat has been a treasured possession on my shelf for years now and I cannot wait to finally find out What Happens Next. Compelling mystery story aside, I love Jen's art and sure-handed storytelling--her characters walk and talk like they could really exist."

-Svetlana Chmakova, Dramacon, Nightschool

"I just have to know."

Christopher "Tory" Blake is a little too smart for his own good. His flights of fancy can whisk him away to odd places, but none so odd as those involving his mysterious new neighbor, Colin Stephens. Quiet and unassuming, it's obvious that Colin is up to something--but what? And when it turns out that Tory's instincts may actually be on to something, he discovers he's got just as much to figure out about himself as he does about his new "friend." Is Colin just a curiosity or something more...?

In print again after five long years, this new edition features never-before-seen bonus material!

The third and final volume will be released in Spring 2014--read new chapters in serialization right now at [sparklermonthly.com](http://sparklermonthly.com)!
