## **Road stories: What happens on the road stays with you** mp Wilson

A fictional memoir that follows the narrator, who is lead singer/guitar player in a somewhat popular band from the Pacific Northwest through some of his weird experiences on tour. From crazy experiences with groupies, to a broken down van, going on tour was some of the best and the worst of life. Packed with sex and dripping with sardonic observations about the music industry, Road Stories will certainly earn a reaction.
