The Business Environment Ian Worthington, Chris Britton

In a fast-paced and constantly changing world, it is more important than ever to have a sound appreciation of the context in which business organisations exist and operate. Now in its 7th edition, this best-selling textbook offers a comprehensive, yet accessible, introduction to the wide range of external influences that affect business operations and decisions in today's increasingly globalised world.

How do changing, and often unpredictable, economic or political conditions impact on business?

How are business organisations affected by globalisation?

What role do environmental responsibility and ethics have to play in business decisions?

Using well-known examples and case studies from a broad range of international organisations, this 7th edition of *The Business Environment* addresses these key questions and many more. It includes a chapter on the global context of business together with International Business in Action case studies, both of which clearly illustrate the global nature of today's world of business. With this book you can:

- Explore all the issues which are critical to understanding the business environment and learn how these impact on organisations of all types and sizes.

- Benefit from up-to-date information and accessible analysis of both the macro- and micro-environmental influences that affect business organisations today.

- Put theory into practice, using a wide range of contemporary mini cases and case studies on (1) organisations including **Microsoft, Facebook, Gazprom and Serco** (2) issues such as **foreign direct investment**, **fracking, the Eurozone crisis and Quantitative Easing.**

Ian Worthington is Emeritus Professor of Corporate Sustainability and Chris Britton was formerly Principal Lecturer in the Leicester Business School, De Montfort University, Leicester, UK.

From reader reviews:

Jamie Sparks:

The Business Environment can be one of your starter books that are good idea. Many of us recommend that straight away because this reserve has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to place every word into pleasure arrangement in writing The Business Environment yet doesn't forget the main place, giving the reader the hottest and also based confirm resource data that maybe you can be among it. This great information could drawn you into fresh stage of crucial pondering.

Lauren Veach:

This The Business Environment is great publication for you because the content which is full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it data accurately using great organize word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tricky core information with beautiful delivering sentences. Having The Business Environment in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no reserve that offer you world within ten or fifteen second right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. busy do you still doubt this?

Betty Dansby:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Business Environment can make you really feel more interested to read.

Theresa Collins:

What is your hobby? Have you heard which question when you got pupils? We believe that that query was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And also you know that little person like reading or as examining become their hobby. You have to know that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them are these claims The Business Environment.
