A Very Young Gymnast Jill Krementz

Jill Krementz' "A Very Young Gymnast" is one of the best of her "Very Young" books. It follows a real young girl through her training schedule and to an international gymnast demonstration. The spunky young gymnast is beautifully photographed in black and white and the text is written in her voice. It is in simple but not condescending language and so this book will be treasured for years to come. It is especially geared toward the 5 to 10 year old range but will be treasured into adulthood. I highly recommend this for any young person but specifically for the aspiring gymnast.
