## **Islam: Islamisation et revivification spirituelle en ce 21e siècle (French Edition)** Harouna Dramé

Les rappels historiques succincts sur l'ère-préislamique et les enjeux et déterminants de l'islamisation de l'Afrique subsaharienne, l'emphase sur la diaspora musulmane, l'islamisme et ses défis face aux enjeux de l'accommodation culturelle et religieuse, les imprévus ou remous de la mondialisation ainsi que l'essai sur l'âme sont autant de sujets abordés en vue de permettre toute la latitude des regards critiques et de la réflexion sur l'évolution de la vie socioculturelle, politique des États actuels et des questionnements spirituels qui en découlent et absorbent le croyant (e). Les hadiths joints ont pour objectifs d'amener à la profonde méditation, c'est à dire à la confrontation de notre être et état spirituel ponctuel avec leur véracité toujours indéniable et intemporelle. Non des moindres, il est question de susciter la réflexion continue et constante sur la vie et sur le sens de l'évolution de nos sociétés en ce 21e siècle, eu égard aux bouleversements socioéconomiques, politiques et religieux, afin que les introspections individuelles et collectives puissent permettre la pleine réhabilitation, la renaissance active spirituelle et la confiance en Allah (SWT) qui est la source motrice de paix, d'égalité, de justice, d'harmonie, de développement et de progrès.

Mon art est un véritable voyage épique à travers les impressions et les expressions artistiques d'une partie de mes expériences de la vie, des niveaux conscient-physiques et subconscient-spirituels représentés ou ressortis en dessins abstraits et colorés et a pour dessein d'accompagner le lecteur dans son odyssée, quête et revivification spirituelles. Je consacre entièrement cet Art et produits dérivés à l'entraide et la louange de Allah (SWT), Le maître des âmes.
