Microsoft Inc. has done it again with the release of its latest creation. The new Surface Pro 4 is the result of the combined design of the traditional computer and the laptop. The new device, according to the reviews, epitomizes convenience while maintaining the quality and efficiency for which Microsoft devices have become known. The Surface Pro 4, released to the public in October of 2015, boasts improvements from its earlier model the Surface Pro 3. These enhancements include a thinner frame, larger and sharper display and a more sensitive Surface pen.
