Bronwyn

But when Declan is declared “Missing in Action,” his brother Tyler, a Navy SEAL himself, is sent home to help the family make arrangements.

Tyler

Tyler was older, and barely knew Bronwyn, but the woman he meets when he returns home is nothing like the girl he knew six years ago. It isn't long before Tyler and Bronwyn realize their connection runs deeper than either could have ever expected. Will they give in to the unfathomable pull of their mutual desire, or will Bronwyn fight a love that feels totally wrong, but absolutely right at the same time?

But more importantly, what will happen when it turns out that Declan isn't missing after all?
