## **Timeshare (Volume 1)** Joshua Dann

Have you ever wished you could go back to the good old days? At Timeshare Unlimited, you can. It's a very special travel agency where—if you make it through a careful screening process—you can arrange an extended voyage to the past, no passport required. You can go the tourist route and see the sights—or you can settle in and live like the natives. In a time when the traffic moved a little more slowly, the neighbors greeted you with a smile, and the air was full of hope and promise instead of smog. It's not so surprising that some of Timeshare's clients don't want to return. It's John Surrey's job to bring them back. He's a pro, an ex-LAPD cop who does what needs to be done, without getting involved. Until, at a Hollywood party in 1940, he meets a woman named Althea. And now, for John Surrey, the past, the present, and the future will never be the same... (Followed by fun sequels *TIMESHARE: SECOND TIME AROUND* and *TIMESHARE: A TIME FOR WAR.*) *PRAISE FOR TIMESHARE...* "A lot of fun." —Locus "Engaging from the first page" —Mysterious Galaxy "A clever concept...well crafted...highly enjoyable" —Starlog

### From reader reviews:

#### **Richard Riggins:**

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important for people. The book Timeshare (Volume 1) ended up being making you to know about other understanding and of course you can take more information. It is quite advantages for you. The guide Timeshare (Volume 1) is not only giving you much more new information but also for being your friend when you really feel bored. You can spend your own personal spend time to read your e-book. Try to make relationship while using book Timeshare (Volume 1). You never really feel lose out for everything in case you read some books.

#### **Christopher Barry:**

People live in this new day of lifestyle always attempt to and must have the time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely without a doubt. People is human not really a huge robot. Then we question again, what kind of activity are there when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading ebooks. It can be your alternative inside spending your spare time, the book you have read is usually Timeshare (Volume 1).

#### **Rhonda Rudder:**

This Timeshare (Volume 1) is great guide for you because the content and that is full of information for you who also always deal with world and have to make decision every minute. This kind of book reveal it information accurately using great organize word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with lovely delivering sentences. Having Timeshare (Volume 1) in your hand like getting the world in your arm, details in it is not ridiculous one particular. We can say that no book that offer you world with ten or fifteen minute right but this publication already do that. So , this really is good reading book. Hello Mr. and Mrs. occupied do you still doubt which?

#### **Jimmy Hostetter:**

Some individuals said that they feel weary when they reading a e-book. They are directly felt that when they get a half areas of the book. You can choose typically the book Timeshare (Volume 1) to make your current reading is interesting. Your current skill of reading talent is developing when you similar to reading. Try to choose simple book to make you enjoy to see it and mingle the opinion about book and studying especially. It is to be first opinion for you to like to open a book and learn it. Beside that the book Timeshare (Volume 1) can to be your friend when you're feel alone and confuse in doing what must you're doing of these time.
